DIY Flavorshack™ Digital Catalog

Hello and Welcome to the DIY Flavorshack! This is our first downloadable digital catalog. We hope you enjoy it and use it to plan orders when the site is closed for order processing. All prices within the catalog are for guidance only and may differ from the online web site prices. Prices are subject to change without notice and the prices on www.diyflavorshack.com are the most up to date.

Here are some Important Guidelines you should review before browsing the Catalog or Ordering:

• Vegetable Glycerin (VG) vs Propylene Glycol (PG)

The VG Flavors are MUCH lighter in flavor than PG Flavors, so please be aware of this. I will work on a reduced PG liquid. Non-PG means made with VG

WARNING: If you do not see 100 % VG then it is **NOT** available in 100 % VG but it can come in Reduced PG. If you have questions please call me or email me.

Processing and Shipping Notes:

ESTIMATED PROCESSING TIME: 5 Days + Priority Mail Shipping Time of 2-3 days.

We are not responsible for the Post Office Delivery Procedure or Mistakes. If Your Order is Lost and we have provided a Tracking Number you must take it up with the Post Office. We will always send a tracking number. Therefore, PLEASE know that when you get a tracking number from us that indicates that your order has been physically shipped. *Thank you for your patience.*

Our Priority Mail Shipping Rate for most orders is \$5.99 with the exception of the DIY Kits, which is \$7.99. Express Mail is not offered.

• Terms and Conditions:

There is a Check Box at the end of your order process that says you have read this page, the terms and conditions. If you do not check this box you cannot complete your order.

YOU MUST BE OVER 18 AND CHECK WITH YOUR DOCTOR BEFORE USING THESE PRODUCTS AND USE AT YOUR OWN RISK.

PLEASE NOTE – ALL MIXED E-LIQUID SALES ARE FINAL – Please order 6ml bottle samplers when trying new flavors (please see our E-Liquid Sampler Packs). We cannot keep replacing orders as much as we want to be number one in customer service; it simply is not worth it for our store to be open and to replace a flavor because it may not be to your taste. We are sorry, but there will be no more returns or refunds on mixed liquids. We must enforce this policy to avoid closing or going private.

If you do not like a flavor please feel free to trade it on the <http://www.e-cigarette-forum.com/forum/diy-flavorshack/> and/or post reviews on the flavor(s) so others with the same taste buds can be aware of it. Please keep in mind that taste is subjective.

PLEASE DO NOT EMAIL ME OR CALL FOR A REFUND OR REPLACEMENT AND THEN SAY YOU WERE NOT AWARE OF THIS POLICY THAT HAS ALWAYS BEEN IN MY TERMS OF USE / CONDITIONS.

Some Final Notes:
